Dear Pastor,

On a daily basis, you deal with various issues. As a result of Roe vs. Wade, we have a culture that accepts abortion as an option, often considered a responsible decision when faced with an unplanned pregnancy. Christians seem ill prepared to address the issue with co-workers, friends, or even their family. Individuals and families in our churches and communities wear hidden scars – spiritually, emotionally, and in some situations, physically.

You are the representative of God in our community, the challenge is complex: presenting the value of human life while extending mercy and grace to those who have made a decision that was not life-affirming. Sanctity of Human Life Sunday recognized in January 2017 has the potential for Biblical instruction and the realization of forgiveness and healing.

The ministry of Mercy Community Crisis Pregnancy, established in 1989, provides biblically based volunteer peer counseling and support services for individuals and families in need. One component of the ministry is to come along side of local churches in providing educational tools to inform congregations of biblical truth specific to the value of human life – as a gift from God.

Individuals, sensitive to the issue, are available to present not only the ministry of Mercy, but also provide Biblical insight regarding the value of life as well as forgiveness and healing from loss due to abortion. Bulletin inserts for consideration are available at www.mercypregnancycenter.org along with the order/information form. Presentation are available for the congregation, Sunday School class time, and/or small groups. A tour of Mercy and/or a mission's service day can be arranged as well. We pray that God will grant you wisdom as you prepare to celebrate the gift of human life.

Thank you for your dedication and faithful service as you encourage believers, make disciples, and continue to reach the lost. As we serve our Lord in the vast harvest field, we do so united – joining hearts and hands investing in changing hearts, which results in changed lives – for time and eternity.

It is our delight to labor with you. Please feel free to contact us with any questions or for additional information. You, your family, and the ministry you are called to remain in our prayers – daily.

In His service,

Sherry
