

Mercy Community Crisis Pregnancy Center cordially invites you to:

STEWARDSHIP FOR LIVING AND GIVING

Presented by Ambassador Advisors

This seminar will review principles of Biblical financial stewardship for honoring God with the way we use our resources responsibly for our needs and, consequently, allow us to be cheerful and generous givers. We will look at practical ways to plan and manage efficiently so there can be more to use and give, while reducing the impact of taxes and inflation.

Personal note from Sherry Camelleri, Executive Director of Mercy CCPC:

Each time I attend a financial seminar presented by Ambassador Advisors, I leave with additional information – information that is based on Biblical truth. I am not wealthy, but God has entrusted me with various resources. Because I have participated in the seminars I have realized firsthand the valuable information presented. And, this is one of the reasons I personally invite you to attend the Stewardship for Living and Giving seminar.

- *Sherry*

Date: Saturday, May 3, 2014
